## BCIT Internships For Graduates & Undergraduates 2026

### Description

BCIT Internships, a division of the renowned British Columbia Institute of Technology (BCIT), is dedicated to facilitating valuable internship opportunities for students across various disciplines. We specialize in offering Canadian Tech Internships, Skilled Trades Internships, STEM Internships, Business Internships, and more. Our co-op programs, also known as Cooperative Education, provide students with hands-on experience in their field of study, preparing them for successful careers post-graduation. We take pride in offering paid internships and fostering partnerships with industry leaders to ensure our students receive unparalleled learning experiences.

We are seeking a dynamic and organized Internship Coordinator to join our team. The Internship Coordinator will play a pivotal role in connecting students with internship opportunities, coordinating placements, and supporting both students and employers throughout the internship process. This position requires a strong commitment to student success, excellent communication skills, and the ability to forge relationships with stakeholders in various industries.

### Responsibilities

- Collaborate with academic departments to identify internship opportunities aligned with students' fields of study.
- Develop and maintain relationships with employers to secure internship placements for students.
- Assist students in preparing application materials, including resumes, cover letters, and portfolios.
- Coordinate the placement process, including scheduling interviews, facilitating job offers, and ensuring compliance with internship guidelines.
- Provide ongoing support and guidance to students during their internship experience, addressing any concerns or challenges that may arise.
- Conduct regular check-ins with students and employers to assess progress and ensure a positive experience for both parties.
- Organize events and workshops to enhance students' professional development and prepare them for success in their internships and future careers.
- Maintain accurate records of internship placements, student progress, and employer feedback.

### Qualifications

- Bachelor's degree in a related field (e.g., education, business administration, human resources) is required.
- Experience working in higher education, career services, or a related field is preferred.
- Strong interpersonal skills and the ability to effectively communicate with students, faculty, employers, and other stakeholders.
- Excellent organizational skills and attention to detail, with the ability to
