## DE Shaw Internships 2026 New Application

### Description

At D. E. Shaw, we believe in nurturing the talents of the future. Our internship program is designed to provide students with a unique opportunity to gain hands-on experience and valuable insights into the world of finance, technology, and quantitative research. As an intern, you will work alongside some of the brightest minds in the industry, contributing to meaningful projects, and experiencing our dynamic and collaborative work environment.

### Responsibilities

- **Project Engagement:** Interns will actively participate in real-world projects, working closely with experienced professionals to solve complex problems and make impactful contributions to our business.
- **Learning and Development:** You'll have access to a wide range of learning and development opportunities, including technical training, mentorship, and exposure to our proprietary technologies and trading systems.
- **Research and Analysis:** Interns may be involved in quantitative research, data analysis, and modeling to help drive investment strategies and inform decision-making processes.
- **Collaboration:** Work closely with cross-functional teams, including traders, researchers, and developers, to gain a holistic understanding of the firm's operations and culture.
- **Networking:** Build meaningful connections with professionals in the industry, attend company-sponsored events, and engage in networking activities to expand your knowledge and career prospects.

### Qualifications

- Current enrollment in a bachelor's, master's, or Ph.D. program in a related field (e.g., finance, mathematics, computer science, engineering).
- Strong analytical and problem-solving skills.
- Passion for finance, technology, and quantitative research.
- Excellent communication and teamwork abilities.
- A desire to learn and a drive to excel in a dynamic and challenging environment.

### Job Benefits

- A history of innovation and a commitment to excellence.
- Exposure to cutting-edge technology and quantitative research.
- A supportive and inclusive work culture.
- Opportunities for growth and mentorship.
- Competitive compensation and benefits.
