Mount Sinai Internships 2026 / 2027 Apply Online

Description

Mount Sinai Secondary School is dedicated to providing exceptional education and hands-on experience in the healthcare sector. Our internship program, Mount Sinai Internships, offers a unique opportunity for students to gain practical knowledge and skills in various healthcare disciplines.

We are seeking a motivated and organized individual to join our team as a Healthcare Internship Program Coordinator. In this role, you will be responsible for overseeing all aspects of our internship program, ensuring its success and effectiveness in preparing students for careers in healthcare.

Responsibilities

- Coordinate and facilitate healthcare internships for undergraduate and graduate students in various fields including medical, nursing, and allied health.
- Develop and maintain partnerships with healthcare institutions and professionals to secure internship placements.
- Collaborate with faculty and staff to design internship curriculum and ensure alignment with academic goals.
- Provide guidance and support to interns throughout their placement, including orientation, supervision, and evaluation.
- Organize networking events, workshops, and seminars to enhance interns' professional development.
- Manage administrative tasks related to the internship program, such as tracking intern progress, maintaining records, and processing stipends for paid internships.
- Conduct regular assessments and collect feedback to continuously improve the internship program.

Qualifications

- Bachelor's degree in healthcare administration, education, or related field (Master's degree preferred).
- Previous experience in coordinating internship programs, preferably in a healthcare or academic setting.
- Knowledge of healthcare industry trends and internship best practices.
- Excellent communication and interpersonal skills.
- Strong organizational and multitasking abilities.
- Ability to work independently and collaborate effectively with diverse stakeholders.
- Proficiency in Microsoft Office and other relevant software applications.

Job Benefits

- Opportunity to make a meaningful impact on students' professional development.
- Collaborative and supportive work environment.
