Plains Midstream Internships 2026 Apply Here

Description

Plains Midstream Canada invites passionate individuals to join their Internship Program, designed to provide invaluable hands-on experience and professional development opportunities in the energy sector. As an intern at Plains Midstream, you'll gain exposure to various facets of the industry, contributing to real projects while learning from experienced professionals.

Responsibilities

- Collaborate with teams across different departments to support ongoing projects and initiatives within the energy sector.
- Conduct research, analysis, and reporting tasks to contribute to project development and decision-making processes.
- Participate in fieldwork, site visits, and operational tasks to gain practical insights into the workings of the energy industry.
- Assist in the development and implementation of strategies to enhance operational efficiency and safety protocols.
- Engage in training sessions and mentorship programs to further develop skills and knowledge in the energy sector.

Qualifications

- Currently enrolled in a relevant degree program in Engineering, Environmental Sciences, Business, or a related field.
- Strong analytical skills and the ability to communicate effectively within a team environment.
- Demonstrated interest in the energy industry with a passion for learning and contributing innovative ideas.
- Proactive attitude, adaptability, and a willingness to take on diverse tasks in a dynamic work environment.
- Ability to commit to the duration of the internship program.

Job Benefits

- Hands-on experience in a leading energy company, working on impactful projects.
- Mentorship from industry professionals and exposure to various career paths within the energy sector.
- Networking opportunities with seasoned experts and fellow interns.
- Competitive compensation and potential for future employment opportunities based on performance and company needs.

Contacts

Interested candidates should submit their resumes and cover letters via the Plains Midstream Canada website or designated application portal.

Join Plains Midstream's Internship Program to gain practical experience, learn from industry leaders, and kick-start your career in the dynamic energy sector!
