

Quebecor Internships 2026 / 2027 Apply Now

Description

Quebecor is excited to offer internship opportunities for talented and ambitious individuals who are eager to gain hands-on experience in the fast-paced world of media and telecommunications. Our internship program is designed to provide valuable insights into the industry, foster professional development, and cultivate the next generation of leaders.

Responsibilities

- **Collaboration:** Work closely with experienced professionals in your department to contribute to ongoing projects and initiatives.
- **Research:** Conduct market research, analyze industry trends, and provide insights to support strategic decision-making.
- **Project Support:** Assist in the planning, execution, and evaluation of various projects within your designated department.
- **Communication:** Engage in effective communication within the team and across departments, ensuring seamless collaboration.
- **Learning and Development:** Participate in training sessions and workshops to enhance your skills and broaden your understanding of the media and telecommunications landscape.

Qualifications

- Current enrollment in a relevant undergraduate or graduate program.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal abilities.
- Demonstrated passion for the media and telecommunications industry.
- Proactive attitude and ability to thrive in a dynamic work environment.

Job Benefits

- **Hands-on Experience:** Gain practical experience and exposure to real-world projects.
- **Networking:** Build valuable connections with professionals in the industry.
- **Professional Development:** Access training and development opportunities to enhance your skills.
- **Mentorship:** Receive guidance from experienced mentors who are invested in your success.

Contacts

1. **Prepare Your Application Documents:**
 - Update your resume to highlight your relevant education, skills, and experiences.
 - Write a cover letter expressing your interest in the internship program and why you believe you are a suitable candidate.
2. **Compose an Email:**
 - Create a new email addressed to the designated application email
