Rio Tinto Internships 2026 Latest Hiring

Description

Join Rio Tinto's Internship Program and embark on a journey of professional growth and hands-on experience in the dynamic field of mining and metals. As an intern at Rio Tinto, you will have the opportunity to work alongside industry experts, tackle real-world challenges, and contribute to projects that impact the global mining landscape. Our internship program is designed to provide a comprehensive and immersive experience, equipping you with the skills and knowledge necessary for a successful career in the mining industry.

Responsibilities

- **Project Support:** Collaborate with cross-functional teams on key projects, gaining exposure to various facets of the mining and metals industry.
- **Data Analysis:** Collect, analyze, and interpret data to contribute valuable insights for decision-making processes.
- **Research and Development:** Engage in research activities to stay abreast of industry trends, technological advancements, and sustainability initiatives.
- **Collaboration:** Work closely with mentors and team members to foster a culture of collaboration and continuous learning.
- **Problem Solving:** Contribute innovative solutions to address challenges and enhance operational efficiency.
- **Professional Development:** Participate in training sessions, workshops, and networking events to enhance your skills and broaden your industry knowledge.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic background in engineering, geology, environmental science, business, or related fields.
- Excellent communication and interpersonal skills.
- Demonstrated ability to work independently and as part of a team.
- Passion for the mining industry and a commitment to sustainable practices.

Job Benefits

- **Mentorship:** Receive guidance and mentorship from industry professionals.
- **Networking:** Connect with professionals across the organization through networking events and workshops.
- **Career Development:** Gain exposure to diverse career paths within the mining and metals industry.
- **Competitive Compensation:** Enjoy a competitive internship stipend.
