Web Developer Scotiabank Internships 2026 Apply Online

Description

We are seeking a motivated and talented individual to join our Web Developer Internship program. As a Web Developer Intern at Scotiabank, you will work closely with our experienced development team on real-world projects, gaining hands-on experience and exposure to cutting-edge technologies in the financial sector. This internship is designed to provide you with a valuable learning experience and an opportunity to make a meaningful impact on the digital transformation of banking services.

Responsibilities

- Collaborate with cross-functional teams to develop, test, and deploy web applications and features.
- Assist in the design and implementation of responsive and user-friendly web interfaces.
- Participate in the full software development lifecycle, from concept to deployment.
- Debug and troubleshoot issues, and provide technical support for web applications.
- Stay informed about industry trends and emerging technologies to contribute innovative ideas.

Qualifications

- Pursuing a degree in Computer Science, Software Engineering, or a related field.
- Strong understanding of web development technologies, including HTML, CSS, JavaScript, and popular frameworks (e.g., React, Angular).
- Knowledge of web design principles and user experience (UX) best practices.
- Familiarity with version control systems (e.g., Git) and agile development methodologies.
- Excellent problem-solving and communication skills.
- Ability to work collaboratively in a team environment.

Job Benefits

- Mentorship from experienced professionals in the industry.
- Networking opportunities with various teams within Scotiabank.
- Exposure to real-world projects and challenges in the financial sector.
- Competitive compensation package.
