The Davey Tree Expert Company Internships 2026 New Hiring

Description

Join one of the nation's leading tree care, grounds maintenance, and environmental services companies as an Arboriculture Intern at The Davey Tree Expert Company. This internship offers an exciting opportunity to gain hands-on experience and invaluable insights into the world of arboriculture and environmental stewardship.

Responsibilities

- Assist certified arborists and field crews in performing various tree care and maintenance tasks.
- Participate in tree assessments, pruning, planting, and removal projects under supervision.
- Learn and apply proper tree climbing and safety techniques.
- Engage in tree health diagnostics, pest and disease identification, and treatment application.
- Collaborate with team members to execute proper tree care techniques aligned with industry standards.
- Support in the maintenance and organization of tools, equipment, and work sites.

Qualifications

- Pursuing a degree or coursework in arboriculture, forestry, horticulture, environmental science, or related field.
- Passion for environmental conservation and tree care.
- Strong work ethic and willingness to learn from experienced professionals.
- Ability to work outdoors in various weather conditions and physically capable of performing arboricultural tasks.
- Excellent communication skills and the ability to work effectively in a team environment.

Job Benefits

- Hands-on training and mentorship from certified arborists and industry experts.
- Exposure to various aspects of arboriculture, including tree maintenance, health diagnostics, and environmental preservation.
- Networking opportunities within a reputable and established company in the environmental services sector.
- Potential for future career growth and opportunities within The Davey Tree Expert Company.
